

# What does the festive season mean to you?

**HAVE YOUR DESIGN PUBLISHED IN THE STOCKPORT EXPRESS AND WIN A £50 BOOK VOUCHER FOR YOUR SCHOOL**

## **CREATE YOUR FESTIVE DESIGN TODAY**

As the cold nights draw in and December approaches, we often get excited about the festive season. We want to know, what this means to you. For many of us, it of course means presents – but there are other things we think about at this time of year. We want you to talk with your class mates about what the festive season means to you.....and then draw it for us.

## **WIN...one winner will be chosen to...**

- Have their winning design published in the Stockport Express
- Be invited to have afternoon tea with the Mayoress of Stockport
- Have their winning design re-created into an e-card and sent out to schools and businesses across Stockport, as well as local councillors
- The winner's school will be awarded a £50 book voucher to buy new reading books
